

Pamela JONES

SPEAKER, AUTHOR,
LIFE COACH.

Pamela's Journey:

Designed with women in mind, Pamela takes her audience on a journey - sharing the smallest details of her life under misogyny, fundamentalism, and abuse. From her escape, healing & becoming the CEO of a million-dollar company with her own two hands - all with the backing of a fifth-grade education. A motivational story for any age, Pamela reinforces that everything you need to succeed is already inside of you. And you can do the hard things that will lead you to true success.

About Pamela Jones:

After 35 years of being abandoned, neglected, brainwashed, and hungry, Pamela Jones and her nine children escaped a fundamentalist, nefarious cult amid Mexican cartels in Mexico and fled to a new life in the US. Now, after 23 years of silence, author and speaker Pamela Jones shares her story of growth, healing, acceptance, and how to navigate your identity when it becomes bigger than you ever imagined.

Her story will galvanize any audience into action.

Motto: "I'm an ordinary woman making extraordinary decisions, every day."
